REALLY IMPORTANT stuff: If you have Word2007 ... PLEASE save all work that is to be attached to me in Word2003.

Notas y comentarios

Grades: The standard 10% scale will be observed for determining course grades:

A: 90-100%; B: 80-89%; C: 70-79%; D: 60-69%; F: 59% or less

45%: 3 Exams

15%: 1 estudio

20%: 2 comentarios

20%: Participation

Participation: Being in the classroom ... physically ... is attendance; having assignments completed and actively participating in the classroom ... in positive ways ... is referred to as participation.

The work is entirely doable, though at times one can't help but wonder. We can't expect to understand every word of every work we read, but using a dictionary to the degree necessary will indeed help.

You MUST KEEP all graded items to verify scores/grades should a problem arise. Too, all grades will be posted to Blackboard6.

YOU ARE EXPECTED AND REQUIRED TO CONSULT THE FOLLOWING WITH REGULARITY:

-our WEB PAGE: <http://www.clt.astate.edu/rbaum>

Our Web Site will house the course syllabus, daily assignments, announcements, web links, other stuff

-our Bb6 web site: <http://blackboard6.astate.edu>

Bb6 will house all grades/scores, picture folders, some quizzes, and periodically chapter exams will be administered through Bb6

Attendance: Please make every effort to attend every class meeting. WE ONLY MEET 28 TIMES THIS FALL SEMESTER, SO PLEASE ATTEND WITH GREAT REGULARITY ... AND DO YOUR BEST TO ARRIVE ON TIME.

--After the 4th absence, the course grade will be impacted negatively by 5%, another 5% with the 5th absence, and with the 6th absence ... ADIOS, AMIGO: a failing grade.

Plagiarism: We are here to learn, but seeking far too much outside "help" is entirely counter-productive. If someone else is doing the work for you (assignments, writings, exams, allowing you to copy an exam in class, etc), then this is often referred to as "cheating." So, do your own work, please.
