</tr>
</tbody>
</table>

RULES AND REGULATIONS

1. All contests will be conducted, as far as possible, according to rules and regulations set forth for the National contest. Exceptions are outlined in Bulletin 5 and the District Brochure.

2. Attendance: Limit those attending the contest to team members.

3. Contest registration must be received in Dr. Humphrey's office no later than February 24th and Mr. Wisdom's office no later than February 28th. Registration forms received after these dates will not be accepted and those teams will not be eligible to participate in the contests. Registration fees MUST be paid in advance at Dr. Humphrey's office by March 26th, 2003. The fee is $3.00 for each team you register. All fees MUST be received by 6:00 p.m. on March 26, 2003, or ALL team scores will be forfeited. Pre-registration forms should be sent via the website. The form can be found at http://agri.astate.edu

4. Contestants arriving late for their contest will be slotted into the rotation to complete the contest. They will be allowed whatever time is remaining. There will be no opportunity to make up classes missed.

5. Each Electricity team must bring one set of tools, colored pencils (red, blue, green and black), a calculator, safety glasses and clip boards.

6. Each Ag-Mechanics team must bring safety glasses, welding helmet, gloves, electrical tools and clip boards.

7. Substitutions are allowed. For substitutions, the advisor must provide Dr. Humphrey a revised substitution form the morning of the contests. A copy shall also be provided to the on-site contest coordinator. If the substitution can't be read, it won't be accepted. Please keep substitutions minimal.

8. Each contestant should bring sharpened pencils and a clipboard. Clipboards will be plain with no information. Violations will result in disqualification.

GUIDELINES FOR TEACHERS ASSISTING WITH DISTRICT CONTEST

In an effort to reduce confusion, miscommunication and related problems associated with large group activities, the contest committee has recommended teachers assist at each site.

This assistance is limited to helping arrange groups and maintaining discipline during the contest. The concern is with student behavior during the contest. Confusion, horseplay, and other forms of unacceptable conduct detract from the activity and make it more difficult for all concerned. Remember, your primary objective is student supervision. You have the authority to disqualify contestants for misconduct, however, use good judgment when you do this. If you disqualify a contestant, turn his/her scorecards into the person in charge of the contest (write disqualified on the card). Circulate through the contestants, your presence will go a long way to help. If during the contest you observe something that could improve the contest, bring it to the attention of the contest committee member. Do not interfere with the contest operation.

Please try to arrive at your contest site by 9:15 a.m. for instructions. Thank you for your assistance.

CONTEST ASSIGNMENTS

* These advisors need to assist in organizing contestants to give reasons.

**AG-MECHANICS**
1. Con Sullivan
2. Larry Langston
