Register Characteristics:

- Reedy, intense
- Reedy, mellow
- Thinner, less characteristic

Use in Ensemble: Middle voice. Great for solo passages.

Parts of Instrument: Reed, bocal, upper joint, lower joint, bell.

Intonation Problems: Break area.

Fingering Problems: Be careful of the break.

Other Comments:
2. Do not use for fast, complicated passages for it is not very agile.
3. The low register is most effective.
